Nestled amidst 3.21 acres of pristine gardens and grounds, Golborne Manor is an exceptional mid-Victorian residence dating back to 1871, enjoying magnificent panoramic views across the Cheshire plains. Grand in stature and refined in detail, this elegant country home includes a beautiful self-contained Coach House, a two-acre Paddock, a Double Garage and a collection of outbuildings/stables. The property is situated just five miles south of the historic walled city of Chester, on the edge of the renowned Eaton Estate.

Imbued with character and traditional charm, the house boasts well proportioned rooms, superb high ceilings, exquisite original features, and expansive windows that flood the interiors with natural light and capture unspoilt views in South and West direction. Arranged over three principal floors with a substantial, tanked basement below, the layout offers versatile and beautifully proportioned accommodation ideally suited to both family life and entertaining.

ACCOMMODATION

The property comprises an oak and glass entrance porch/ vestibule which leads into a stately reception hall, setting the tone for the sophisticated interiors that follow. To the front there is a small study and a beautiful drawing room with large twin sash windows adorned with original pine shutters which feature throughout the property. There is a Wedgewood pine fireplace with marble insets and a gas fire. A traditional dining room enjoys beautiful open views to the gardens and Cheshire countryside beyond and adjoins the large living room featuring a Clearview wood-burning stove, original brick fireplace, and built-in cabinetry. French doors open directly onto the patio.

The charming kitchen is a celebration of traditional craftsmanship, with Smallbone cabinetry, granite worktops, Antico flooring, and a classic oil-fired AGA nestled within a brick and tiled recess. The kitchen's character is elevated by the original preserved servant bells. There is also space for family dining. A few steps lead to the generously appointed utility/secondary kitchen with Howdens base and wall units, oven, 4 ring hob and space for white goods. There is a cloakroom with W.C featuring Burlington sanitaryware.

The lower ground level comprises a substantial and naturally lit tanked basement which contains four separate rooms. With character beams throughout, the basement offers a versatile space for use as additional storage, wine cellar, games room, gym or office.

A pitch pine staircase leads up to the first floor which consists of a split level landing and hosts five generously sized bedrooms and five bathrooms. Four bedrooms enjoy ensuite bath/shower rooms and there is an additional family bathroom at this level. The accommodation extends to the second floor with high ceilings and comprises a spacious landing with substantial fitted storage and Velux windows, large bedroom, playroom, dressing room and two offices. The 2nd office is fitted with a kitchenette. The accommodation is extremely versatile and easily adaptable to suit a variety of needs.

EXTERNAL

Golborne Manor is approached via majestic wrought iron gates flanked by curved brick walling with stone copings and brick pillars with stone balls, leading to a sweeping private drive bordered by immaculate box hedging. This elegant avenue offers an exceptional first impression, unfolding into a spacious gravelled forecourt to the front of the house and continuing toward the rear where there is generous parking and a handsome open-fronted, double brick-built Garage. Adjacent to the garage are three outbuildings, currently used for garden storage but equally suited for use as workshops or stabling.

The formal gardens are a triumph of design and devotion, lovingly nurtured by the current owners over the past 40 years. The grounds offer a rich tapestry of textures, colours and seasonal interest. To the right of the drive lies a well-established orchard planted with a variety of fruit trees including apple and plum. The orchard benefits from a separate vehicle access. The expansive front lawn is anchored by a majestic copper beech tree, forming a centrepiece and providing dappled shade across the manicured lawns.

A woodland garden with a winding path reveals a thoughtfully curated collection of specimen trees and plants including Bay, Honeysuckle, Oak, Beech, Maple and monkey puzzle. To the South of the property, a beautiful rose garden, grapevine, extensive York stone terrace, ornamental pond and elegant water fountain form a picturesque retreat, an ideal spot for outdoor entertaining. Beyond the gardens, a gated entrance leads to a two-acre paddock with a central wildlife pond and mature boundary trees, offering scope for equestrian use, recreational space, or an extension of the estate's natural beauty.
